1. I will arise and go forth in the name of the Lord of Hosts is more than scripture. It is the mantra, the prevailing banner over My people to stay, and say what I am doing—core-centric, Christ-centric, Christo-centric—My Me arisen, coming forth in the regaled beauty, arrayed in fine linen, white sashes of only Me. I love you. I love you. I love you.

2. I give you praise for getting up when so tired you are and letting Me speak. So often I would arise others if they let Me, if they would let Me, if they would let Me speak. They yearn for My voice, they yearn to know Me, they speak about knowing Me, they talk about knowing Me, they read what others have written about Me; but then they limit themselves, they limit themselves in what I can do in them, then through them, then for them and with their seed, the work of their mouth. I love you.

3. So many so willing, not so obedient; so many so willing, flesh not crucified, flesh not conquered, flesh not disciplined, I simply am not their priority. The desire, the great desire, but limited by the thinking of man, historical tradition which limits, limits, limits, confines, constricts, condones not the expanding hand that I come to My Mine in, extending My reach far and wide, gathering My troops, My forces, My lovers of Me, lovers of Me, lovers of Me who want to be with Me and not just do their will, lovers of Me and not just doers of what they think My will is but lovers of Me who will **break the oil, the jar of time, over My feet, those who will in the wee hours come and become** Christ-centric, Christ centered, Me centered, blood of the lamb prevailed upon their forehead, upon the mighty slain not, not slain by entertainment, economic woes, and dictates of man's progression, man's regression, man's finiteness.

4. Giving Me your all you are, you have, you will increasingly. Rees Howells, yes. And more, so much. You come and you call and you confirm, you confirm your desires to Me, you confirm your desires repeatedly, repetitively.

5. You anoint yourself with oil daily, sometimes twice daily, thrice daily, sometimes more in speaking to Me, offering Me yourself, dedicating yourself to Me, consecrating yourself to Me, speaking to Me in love songs, speaking to Me in phrases, dedication, consecration, sincere integrity, spirituality of My chambers, spirituality of words from your heart that make Me smile, that join My heart with yours ever so much more so. I love you. Anointing yourself in the name of the Father, Son, and the Holy Ghost, giving honor to the Spirit, the Spirit's place, the Spirit's space, the Spirit equal with Me. I am My Spirit, we are one. I love you. Go forth in the power of My Spirit.

6. London exceeds WeekWorks begun, begin.

7. Fearless you are, mocking none, and unconcerned with mockers. I love you. I love you as you twirl, dancing in your backyard, spiritual Garden of Eden, yes. You have

come in many times and can live there all you want, the gate is open, the way is made, the door is wide and few there be that have found it, but into Me you are bringing many, many, many. Anointings of yourself, prophetic words spoken in power, grace, meekness and authority over yourself, your family and your seed forevermore. Thank you.

8. Priests before Me, kings before Me, kings and priests all one, one, one, a lineage great refined at My knee. Thank you. I love you and I speak to Me, I speak to you, I speak to lineages many through you this day, this year.

9. I have and have been, and will continue mightily fortressing My God, Me, My Mine, and the body of I Am. I love you.

10. Unprepared not, you are preparing. Thank you. You are preparing for the onslaught of invitations and requests to speak, to attend your school mighty, mighty upon the earth. Thank you. Offices of Me, people of Me, Timothy of Me. Thank you. Thank you. Thank you for seeing Me in My Timothy [Moon]; raising My Timothy, and raising Timothy's, My Timothy's, many Timothy's through the fortitude and tenacity, not the intellectual pursuits and the logic'd thinking of the natural mind, but of Me, My Spirit, My integrity. Timothy yes. Thank you. I love you Timothy.

11. I love you My Timothy's who now come from all over My globe to WeekWorks, to London, to Centers many, in My white towers, and coming out of My white towers, many white towers—I love you—white grids of only Me, white towers, white towers of grids, grids of white towers. Am I clear? Am I clear? Am I clear?

12. I love you as you sit on your floor, I love you as you sit, you kneel, in your room laced with wallpaper of white towers. You had no idea how I guided that decision. I love you.

13. So many decisions, so many decisions, so many decisions I help the preponderance, the preparation, the proceedings, the pleadings, the thoughts, the desires, they go into fashions and stepping stones of Me--see Me, see Me in your life so much more.

14. See Me in your life My children. See Me so much more active, so much more a part than you have ever thought. For so many times, millions and millions of times, have I prompted you to do My will and you thought it was only your logic, your mind, your intellect, your desire, your preference. And I am there, I was there, I will be there and I put My laws in your mind. I put My thoughts in your heart. I put My preferences for the stepping stones of your path to Me. Be all you can be in Me to fulfill your mission, hoping, helping you drink the cup, the cup of My mission, the cup of your mission, your body broken prerequisite. I love you and I give you Me. I love you and I give you Me.

15. Kneeling before Me you have so many. I love you My body.

16. I love you My groups and teams that come forth now, rising from My gray towers not, My white towers, My tall towers, My everlasting tower makers, towers of refuge and strength, knowing Me in intimacy, knowing Me in oneness, knowing Me in Me-ship. Thank you.

17. Thank you for letting Me speak as I desire with My diction, My grammar, My vocabulary with My men surrendered, drink-offering'd before you, I have broken, body broken open before you. Your blood, his blood for you, all because of My blood, My body, My cup, My mission, My obedience and as you raise now, as you raise up at the compelling of My hand, the lifting of your head that I now do with you, arising you, arising you to go forth in the name of the Lord of Hosts, I confidence you.

18. In your repentance I confidence you. I confidence you. In your intent and deliberations non-ending not, but your deliberateness of heart, your obedience, your coming to Me allowing Me to speak, allowing Me to confine at times and sequester, become sequestered, become with Me upon My knee with Me so that on My throne you will reign--I am. In power you will reign, in authority you will reign and not many days hence. Reign in halls of power, glass and brass, menageries of only Me and My value system, collages of hues of only Me, montages of the Master. I love you. Thank you for representing Me. I love you. I love you now, I give you Me. I love you now, I give you Me.

19. Arise and go forth in the name of the Lord of Hosts, July 7, 2004, your sister's Birthday. Applaud her, My delight in whose arms I enjoy being Me. I love you. The woman who knows Me, many hours with Me, I arise. I come forth in her now mighty, mightily, watch Me. Tell her. Watch Me. My Minnie Ruth, My kind, My arisen, ready, labeled ready, ready and waiting, ready. Thank you. I love you.

20. I give you Me, My body--and I bow before you as you come and bow before Me, kneeling, laying prostrate, prostrate before Me, kneeling, walking, standing, speaking My words, writing My words, afraid not--afraid not to mature, afraid not to let Me come and speak through you, afraid not to fail. Afraid not. I call you afraid not. Thank you. I arise you My body. Now arise, arisen, arise My body in the name of the Lord of Hosts for you have conquered, I have conquered time, money, mammon, appetites. I love you. Go forth and teach Me mightily, freeing the captives of conquered centuries. I love you. Good night.
